

Kahua's Free CMMC Readiness App

Secure. Compliant. Efficient.

Without a clear path to CMMC compliance, many defense contractors risk falling behind. Leverage Kahua's CMMC Readiness App and FedRAMP authorized construction management solution to streamline CMMC compliance, expedite your certification process and win DoD projects.

Fast-tracked CMMC Compliance

Enhanced Audit Support

Real-Time Progress Tracking

Time and Cost Savings

Improved Collaboration

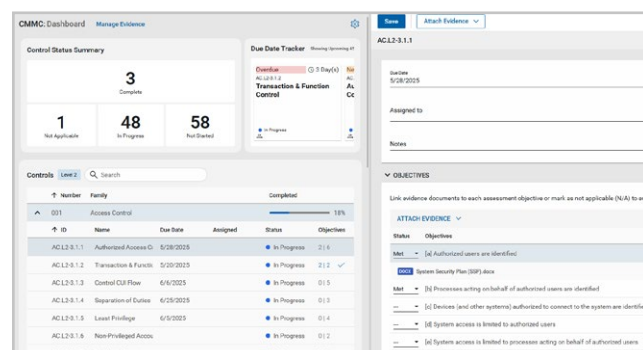

Centralized Evidence Documentation

Accelerate Your CMMC Certification with Kahua's Easy-to-use App

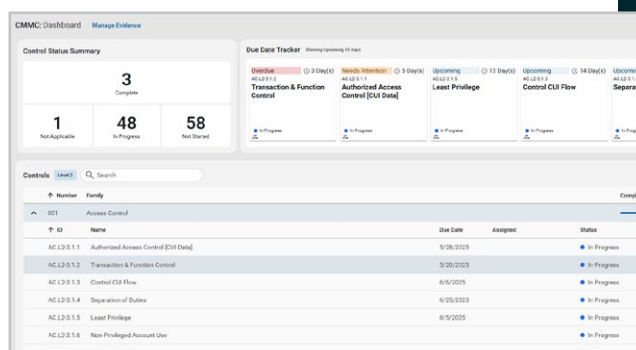

Kahua's CMMC Readiness App provides Department of Defense (DoD) contractors with a simplified, guided path to CMMC certification. Easily upload, organize and manage evidence for each CMMC control in one secure, simple-to-use workspace. Gain full visibility into your CMMC readiness, track progress against CMMC control objectives in real-time and collaborate with CMMC consultants to easily prepare for the certification assessment.

Get started for free with Kahua's CMMC Readiness App to fast-track your CMMC compliance journey—reducing audit timeline, maximizing consulting value and driving faster certification.
