

Kahua

Safety Suite

Protection. Compliance. Efficiency.

Construction teams often face challenges with manual tracking, leading to unreported incidents, compliance risks, regulatory violations and project delays. Kahua's Safety Suite streamlines safety management, enhances visibility, ensures compliance, reduces risks and optimizes job site operations for a safer, more efficient workplace.

Automated OSHA Filing & Reporting

Incident Tracking & Resolution

Proactive Risk Management

Enhanced Safety Decisions

Increased Collaboration & Profits

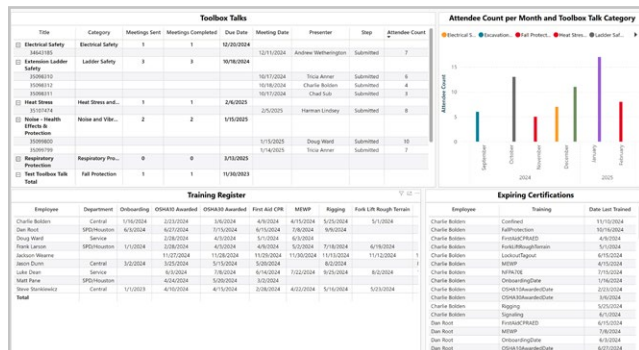

Improved Training & Compliance

Build Safer. Work Smarter.

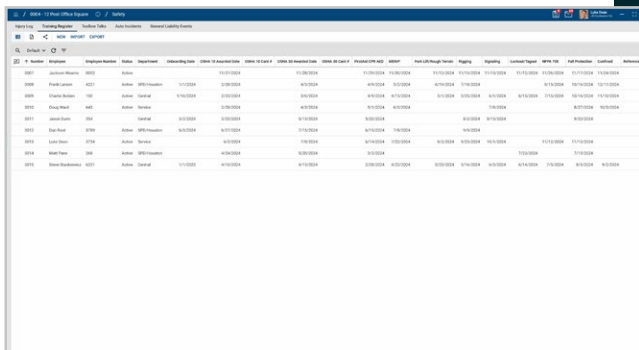

Kahua's Safety Suite empowers construction teams and stakeholders with real-time visibility into safety incidents, enabling proactive risk management and effortless OSHA compliance. By automating safety processes and records, the Safety Suite minimizes risks, prevents costly penalties, eliminates errors and boosts productivity -- creating a safer, more efficient, and fully compliant work environment.

Leverage Kahua's Safety Suite to boost job site safety real-time monitoring, automated compliance, and centralized reporting – creating a safer, more efficient workspace.
